

PRODUCT-DETAILS

# 8H

## H-STRNGTH SPLITBLT CONN 8STR-10SLD

| General Information    |                                                                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| Extended Product Type: | 8H                                                                                                                                                     |
| Product ID:            | 7TAH006100R0022                                                                                                                                        |
| EAN:                   | 5414363146865                                                                                                                                          |
| Catalog Description:   | H-STRNGTH SPLITBLT CONN 8STR-10SLD                                                                                                                     |
| Long Description:      | Type H - High Strength Split-Bolt Connector, Conductor Range for Equal Main and Tap 8 Str-10 Sol, Conductor Range for Min Tap with One Max Main 14 Sol |
| Display Name:          | 8H                                                                                                                                                     |

| Ordering                 |               |
|--------------------------|---------------|
| EAN:                     | 5414363146865 |
| UPC:                     | 783786200023  |
| Country of Origin:       | Mexico        |
| Selling Unit of Measure: | each          |

### Container Information

|                                        |                       |
|----------------------------------------|-----------------------|
| <b>Package Level 1 Units:</b>          | 100 EA                |
| <b>Package Level 1 Width:</b>          | 76.962 mm<br>3.03 in  |
| <b>Package Level 1 Height:</b>         | 69.088 mm<br>2.72 in  |
| <b>Package Level 1 Depth / Length:</b> | 103.886 mm<br>4.09 in |
| <b>Package Level 2 Units:</b>          | 1000 EA               |
| <b>Package Level 2 Width:</b>          | 172.72 mm<br>6.8 in   |
| <b>Package Level 2 Height:</b>         | 124.46 mm<br>4.9 in   |
| <b>Package Level 2 Depth / Length:</b> | 378.46 mm<br>14.9 in  |
| <b>Package Level 3 Units:</b>          | 162000 EA             |
| <b>Package Level 3 Width:</b>          | 0.025 mm<br>0.001 in  |
| <b>Package Level 3 Height:</b>         | 0.025 mm<br>0.001 in  |
| <b>Package Level 3 Depth / Length:</b> | 0.025 mm<br>0.001 in  |

## Additional Information

|                           |                                                                                                                     |
|---------------------------|---------------------------------------------------------------------------------------------------------------------|
| <b>Application:</b>       | Splicing, tapping or terminating conductors in power and grounding electrical connection.                           |
| <b>Brand / Label:</b>     | Blackburn                                                                                                           |
| <b>Color:</b>             | Metallic                                                                                                            |
| <b>Effective Date:</b>    | 19991027                                                                                                            |
| <b>Material:</b>          | Bronze Alloy                                                                                                        |
| <b>Product Name:</b>      | "TERMINALS, ELECTRICAL SPLICES"                                                                                     |
| <b>Product Type:</b>      | Split-Bolt                                                                                                          |
| <b>Special Functions:</b> | Bolt and nut of high-strength corrosion-resistant bronze alloy. Copper pressure bar.<br>Bolt and nut of hex design. |
| <b>Standards:</b>         | UL E9809                                                                                                            |

## External Classifications and Standards

|                                            |                                 |
|--------------------------------------------|---------------------------------|
| <b>ETIM 7:</b>                             | EC000491 - Earth terminal clamp |
| <b>ETIM 8:</b>                             | EC000491 - Earth terminal clamp |
| <b>ETIM 9:</b>                             | EC000491 - Earth terminal clamp |
